

Buckfastleigh Town Council Perennial Grant Fund Policy and Guidance 2018

Summary

Buckfastleigh Town Council recognises that there are charitable, voluntary and not-for-profit making organisations that provide front line services to the local community which are not capable of covering their full annual running costs and depend on the security of regular funding rather than unsustainable ad hoc grants from different funding sources. These organisations must however, be able to demonstrate evidence of need, effective delivery and fund-raising.

The Town Council will consider applications for perennial funding for up to four years, although successful applicants will be expected to report back to the Council annually on the effectiveness of the awarded grant.

The application must be submitted to the Town Clerk by 31st August so that requests for funding can be considered by the Town Council Meeting (which must be quorate as defined in the Standing Orders) and, if successful, included in the budget for the forthcoming financial year(s) subject to approval by the December full Council meeting.

Application Process

An application must be completed and submitted with the following supporting documents by the above deadline:-

- Audited accounts and balance sheet for the last full accounting period
- Predicted income and expenditure for the first year of the grant

Applicants will be required to attend an informal meeting with two members of the Town Council to discuss their application.
