Dear Sir/Madam,

Re: X38 Stagecoach Bus Service from Buckfastleigh

I am writing to advise that it has been brought to the attention of the Town Council that following the recent reduction of the X38 bus service routes from Buckfastleigh to Plymouth and Exeter that further cuts may be planned?

As you are aware public transport provision for Buckfastleigh is quite limited and many residents are dependent upon a reliable and regular bus service for their employment and education. We have received conflicting information from various sources concerning funding and services. The Council would therefore appreciate clarification as to why the current reduction was necessary and whether further cuts are planned in order that we may provide our residents with an informed response.

We look forward to hearing from you.

Yours faithfully,

Judith M. Hart
