

# DEVELOPMENT BRIEF CONSULTATION

## LAND AT HOLNE ROAD, BUCKFASTLEIGH

Burrington Estates are pleased to present the Development Brief for the residential development site at Holne Road, Buckfastleigh.

Holne Road is an allocated residential development site (Proposal BCK2) in the Dartmoor National Park Authority Local Plan. A Development Brief is a blueprint for how the site should come forward – it is not in itself a grant of planning permission and a formal planning application would follow. The publication of the Development Brief follows a community survey and a public exhibition held last year.

We would be very grateful to receive your thoughts in respect of our proposed scheme and the Development Brief for the site. The Development Brief can be viewed and your comments submitted at the following website;

**<https://www.surveymonkey.co.uk/r/N6TYDR8>**

The final date for submitting your thoughts is Friday 23rd March 2018.
