

BUCKFASTLEIGH TOWN COUNCIL MEETING

11th JULY 2018 - KEY MESSAGES

1. **Buckfastleigh Christmas Fair Ice Rink** – the Town Council agreed to support the Christmas Fair Committee in hosting the towns first Christmas ice rink by underwriting the full cost subject to approval for use of the Globe car park by Teignbridge District Council. This will be an exciting new venture for the town which we hope will return annually.

The Committee are also looking at facilitating a seasonal auction at the Fair supported by a local professional auctioneer where residents and visitors will be able to bid for gifts kindly donated by local businesses and organisations. Proceeds from the auction will be used to help with funding for the following Christmas.

2. **A new defibrillator for Buckfastleigh** – we would like to convey our thanks to the members of Buckfastleigh Women's Institute for all their fund-raising efforts to successfully purchase a new defibrillator for the town centre. Following installation to the south wall of the Mardle Way Car Park adjacent to the Town Council notice board, this important life-saving community asset will be donated to the care of the Town Council.

Full minutes will be available on the website after the next Town Council Meeting.
